

emerge is a support group that meets fortnightly for people aged 18 – 25 years, who may identify as gay, lesbian, bisexual, gender diverse or questioning. Group members may also organise their own activities and events outside the fortnightly meetings.

emerge will include discussions around: coming out; transitioning; sexual health; friends, family and relationships. It is an opportunity to meet others in similar situations and to connect to the GLBTIQ community.

emerge is a safe environment where you get support, gain confidence and have fun!
